

2023 Fee schedule

Student contribution amounts for 'pre-2021 students' in a Commonwealth Supported Place

This schedule is for 'pre-2021 students' in a Commonwealth Supported Place (also known as 'grandfathered students').

Note:

1. You are a 'pre-2021 student' if you:
 - Commenced your current program at UQ before 1 January 2021, or
 - Commenced your current program at UQ after 31 December 2020 and –
 - You gained admission to your current program based on completion of an enabling program (such as the Tertiary Preparation Program at UQ) in 2020; or
 - Your current program is an honours degree related to an undergraduate degree you completed before 1 January 2021; or
 - Are studying at UQ on a cross-institutional basis for credit towards a program you commenced on a Commonwealth supported basis before 1 January 2021 at your home institution.
2. If you are a 'pre-2021 student' enrolled in a Master of Clinical Psychology, Master of Psychology or Doctor of Psychology, a different student contribution amount applies for courses in certain disciplines¹. See the 2023 fee schedule for 'pre-2021' postgraduate clinical psychology students.
3. The table below shows the Student Contribution Amount (SCA) payable by a 'pre-2021' domestic undergraduate or postgraduate student enrolled in a Commonwealth Supported Place (CSP), for courses in each subject area for 2023.

The SCA payable for a course is determined by the subject area or discipline (represented by the first 4 characters of the course code², and the EFTSL³ value of the course.

The SCA in a given year for each course at UQ is published in the [unit of study schedules](#) for Commonwealth supported students (usually by November of the previous year).

¹This includes students undertaking cross-institutional study at UQ in a unit of study that contributes to a course of study at your home institution that is accredited for the purposes of professional registration by the Australian Health Practitioner Regulation Agency (AHPRA), and which leads to an Endorsed Area of Practice in Psychology.

²The Australian Government groups different disciplines into different student contribution 'bands' (SC Bands). See [Study Assist](#) for more information.

³EFTSL (Equivalent Full-Time Student load) is an Australian government measure of course study load – 1 EFTSL is the standard full-time load for a year. At UQ, 1 EFTSL equates to 16 units and most courses have a unit value of 2, or 0.125 EFTSL.
