

2023 Fee Schedule

Doctor of Biotechnology tuition fee rate per unit

This fee schedule is for international and domestic students who commenced a Doctor of Biotechnology program in 2016 or a later year.

The table below shows the 'rate per unit' used for calculating tuition fees for the listed enrolment year.

A fee for a course is calculated by multiplying the 'rate per unit' in the table below by the unit value of the course.

Courses are offered in semesters when a student is studying coursework and in research quarters when undertaking their thesis.

The table includes tuition fees calculated for a semester or research quarter based on a typical enrolment load.

2023 Doctor of Biotechnology (DBiotech) tuition fee rate per unit and typical semester and research quarter enrolments				
Rate per unit	Full-time semester 8 units	Part-time semester 4 units	Full-time research quarter 4 units	Part-time research quarter 2 units
\$2,667	\$21,336	\$10,668	\$10,668	\$5,334
