

This schedule applies to domestic and international students who pay full tuition fees.

The table below shows the tuition fee rates per unit for the listed enrolment year. The program you're enrolled in and your year of commencement determine the rate per unit that applies.

To calculate the course fee, multiply the relevant rate per unit from the table by the unit value of the course. Refer to the Unit of Study schedule for the unit value and equivalent (Unit of Study) EFTSL value of each course.

EFTSL (equivalent full-time student load) is a measure used by the Australian government to assess course study load, where 1 EFTSL represents the standard full-time load for a year. At UQ, 1 EFTSL is equivalent to 16 units, with most courses having a unit value of 2 or .125 EFTSL.
