

2024 Fee Schedule

Research quarter tuition fees for pre-2017 commencing international HDR students

This fee schedule is for international students who commenced a higher degree by research (HDR) PhD or MPhil program before 1 January 2017.

The table shows the tuition fee for a research quarter (RQ) for a student who is enrolled in the listed enrolment year.

The year a student commenced the program, attendance mode, study load and fee band for the HDR enrolling unit determine the tuition fee that applies.

If a student is enrolled as:

- An internal part-time (pt) candidate, the fee is 50% of the internal full-time (ft) tuition fee
- A remote full-time (ft) candidate, the fee is 60% of the internal full-time (ft) tuition fee
- A remote part-time (pt) candidate, the fee is 40% of the internal full-time (ft) tuition fee

If a student undertakes coursework that is approved by the Dean, UQ Graduate School as part of their PhD or MPhil enrolment, the student will not incur additional tuition fee liability for the courses.
