

This fee schedule displays the student contribution amount (SCA) applicable to domestic undergraduate and postgraduate students enrolled in a Commonwealth Supported Place (CSP) and enrolling in approved semester based overseas exchange.

The SCA for each course is determined by the year in which you commenced in your program and the courses' subject area or discipline and the EFTSL (equivalent full-time student load) value of the course.

Note: The Australian Government categorises different disciplines into various student contribution 'bands' (SC Bands). For further information, please refer to Study Assist.

EFTSL (equivalent full-time student load) is a measure used by the Australian government to assess course study load, where 1 EFTSL represents the standard full-time load for a year. At UQ, 1 EFTSL is equivalent to 16 units, with most courses having a unit value of 2 or .125 EFTSL.
