Student contribution amounts for students enrolled in Commonwealth supported places

The table below shows the student contribution amount (SCA) payable by a domestic undergraduate or postgraduate student enrolled in a Commonwealth supported place (CSP), for courses in each Student Contribution (SC) Band, for the listed enrolment year.

The SCA payable for a course is determined by the SC Band of the course discipline¹, the EFTSL² value of the course, and the program commencement year³.

The SCA for each course at UQ is published in the [unit of study schedules](#) for Commonwealth supported students (usually by November of the year prior to enrolment).

¹The Australian Government groups different course disciplines into three student contribution 'bands' (SC Bands).

²EFTSL (equivalent full-time student load) is an Australian government measure of course study load. A full-time student is normally enrolled in 1 EFTSL of study (16 units) for a year. At UQ, each course is given a 'unit' value which reflects the amount of effort required to complete the course. A course 'unit' value has an equivalent course 'EFTSL' value. This is shown in the table.

³For Education and Nursing students who commenced their program as a Commonwealth supported student before 1 January 2010, a National Priorities (NP) SC Band rates applies for certain course disciplines (see SC Band column in table).
