

2021 Fee schedule

Tuition fee rates per unit for international postgraduate student course fee calculations

This schedule applies to international students who commenced their current postgraduate program in 2016 or a later year.

The table below shows the tuition fee rates per unit used for calculating course fees for the listed enrolment year.

The program of enrolment and the year a student commenced their program determine the rate per unit that applies.

A course fee is calculated by multiplying the relevant tuition fee rate in the table below by the unit value of the course.
