Master of Molecular Biology Research Extensive (24 units)
Master of Molecular Biology Research Extensive (32 units)

Additional variations

Faculty of Health and Behavioural Sciences

No credit (including RPL) will be granted for capstone placement courses in the final year of an undergraduate program, regardless of when the comparable placement course was undertaken.

Transition provision (pre-2022 credit limits)

For existing and commencing students applying for credit in 2022 the Associate Dean (Academic) may apply the relevant pre-2022 credit limit(s) if it provides a more generous outcome and the application is received on or before 31 December 2022. For applications received from 1 January 2023 the Associate Dean (Academic) may apply the relevant pre-2022 credit limit(s) if they are satisfied the student was unable to apply prior to 31 December 2022 due to extenuating circumstances.
