

Indicative international fees for undergraduate programs commenced in 2022

An **"indicative annual fee"** is the tuition fee cost of enrolling in a standard full-time study load in the listed commencement year. A standard full-time study load is 16 units but may be higher for intensive programs. Actual fees will depend on the number of units you enrol in. Fees usually increase each year.

An **"indicative total program fee"** is the estimated total tuition fee cost of enrolling in a program for its standard duration from its earliest available commencing semester. Fees are reviewed annually. The estimated fee assumes a maximum indexation rate of 6% per annum.

The fee may be higher if:

- The annual increase in fees for a given year is more than the estimate (based on 6%),
- You commence the program in a later semester (where the estimated fee was based on a Semester 1 commencement), or
- You take longer than the normal duration to complete your program.

An **"indicative total non-tuition fee"** is an estimate of additional study costs, which may be paid to the University, and includes such things as the application fee, Student Services and Amenities Fee, Overseas Student Health Cover, books and equipment, trips and accommodation.

¹A "CRICOS Code" is for programs registered on the Commonwealth Register of Institutions and Courses for Overseas Students and is for international students on an Australian student visa. If the CRICOS Code is 'n/a' the program is only available to be studied externally/offshore. If the CRICOS code is CONCURR the program is only available to be studied concurrently with another degree at UQ.
