

2022 Fee schedule

Tuition fee rates per unit for international postgraduate student course fee calculations

This schedule applies to international students who commenced their current postgraduate program in 2016 or a later year.

The table below shows the tuition fee rates per unit used for calculating course fees for the listed enrolment year. All figures are in Australian Dollars with the exception of MD Ochsner, which are in US Dollars.

The program of enrolment and the year a student commenced their program determine the rate per unit that applies.

A course fee is calculated by multiplying the relevant tuition fee rate in the table below by the unit value of the course.
