

2023 Fee Schedule

Tuition fee rates per unit for domestic postgraduate course fee calculations against program and year of commencement

This schedule applies to domestic students who commenced their current postgraduate program in 2012 or a later year.

The table below shows the tuition fee rates per unit used for calculating course fees for the listed enrolment year.

The program of enrolment and the year a student commenced their program determine the rate per unit that applies.

A course fee is calculated by multiplying the relevant tuition fee rate in the table below by the unit value of the course.
