

Confidentiality Agreement

Seminar topic:

Date and time:

Presenter:

Student ID number:

During the course of this seminar, the presenter will disclose confidential information which has a unique value to the presenter and may be the basis of applications for patents.

The presenter and the University of Queensland will be prejudiced by any unauthorised disclosure of the confidential information, may be precluded from being granted patents, and may suffer financial loss as a result of unauthorised disclosure.

Your name and signature below signify that you have read, understood and agree to abide by the following agreement:

I agree that I will keep the subject matter of this seminar secret and confidential and will not disclose it to any person or make known in any manner any part of it, or use it in any manner, without the prior written consent of the presenter.
