

Indicative tuition fees for international students commencing a postgraduate program in 2019

An "indicative annual tuition fee" is the tuition fee cost of enrolling in a standard full-time study load in a program in 2019. A standard full-time study load is 16 units but may be higher for intensive programs. A Graduate Certificate is 8 units in total. Actual fees will depend on the number of units you enrol in. Fees usually increase each year.

An "indicative total program tuition fee" is the estimated total tuition fee cost of enrolling in a program for its standard duration from its earliest commencing semester. Fees are reviewed annually. The estimated fee assumes a maximum indexation rate of 6% per annum. The total fee may be higher if a student takes longer than the standard duration to complete the program.
