| Bachelor of Dental Science (Honours) | 1. *Rural Australia* means a remoteness area in categories ASGS-RA 2 to ASGS-RA 5 in accordance with the Australian Statistical Geography Standard – Remoteness Area system.  
2. *Rural sub-quota* means the number of places within the quota for this program set aside for the rural admission scheme for this program. | 1. Applicants must have completed Year 12 English and Chemistry (or equivalent); and  
   (a) domestic applicants must have a UCAT ANZ score obtained in the year of application; and  
   (b) overseas applicants must have—  
   (i) a minimum entry score determined by the Executive Dean; and  
   (ii) a minimum UCAT ANZ score as determined by the Executive Dean, gained in the year of application.  
2. For the rural sub-quota: applicants must have—  
   a minimum OP/rank as determined by the Executive Dean; and  
   supporting documentation to demonstrate residence of at least 10 years cumulatively or any 5 years consecutively in rural Australia, since birth.  
3. Alternative entry  
   The Executive Dean may permit direct entry to the program for students from target equity groups through an approved admission scheme. | 1) *Domestic applicants* will be selected on the basis of the OP/rank. The aggregate score from the first four sections of the UCAT ANZ will be used as a secondary differentiator to differentiate between applicants with the same OP/rank. The UCAT ANZ Section 5 score will be used as a tertiary differentiator between applicants with the same UCAT ANZ Aggregate. The UCAT ANZ Section 1 score will be used as a further differentiator if required.  
2) *Overseas applicants*  
   Selection will be in order of application. |            |

| Doctor of Medicine (Provisional Entry for School leavers) | 1. First degree means the Bachelor degree program at the University selected by a school leaver applicant who is made a provisional offer  
2. Rural Australia means a remoteness area in categories ASGS-RA 2 to ASGC-RA 5, in accordance with the Australian Statistical Geography Standard – Remoteness Area system.  
3. Rural sub-quota means the number of places within the quota for this program set aside for the rural admission scheme for this program. | 1. For a provisional offer of a place: Applicants must have completed Grade 12 in the year of application with an OP1 or equivalent; and (a) domestic applicants must have a UCAT ANZ score obtained in the year of application; and (b) overseas applicants must have an ISAT score obtained in the year of application.  
2. For the Rural Sub-quota: applicants must submit an application and supporting documentation to demonstrate residence of at least 10 years cumulatively or any 5 years consecutively in rural Australia since birth.  
3. Subject to PPL 3.40.06b Undergraduate, Non-Award, and CSP Admissions—Procedures, section 12.2, for confirmation of a provisional offer/enrolment in the Doctor of Medicine, applicants must:  
   (a) gain admission to their first degree in the year for which the provisional offer is made; and  
   (b) complete the first degree in the minimum time required for that degree; and  
   (c) gain a minimum GPA of 5.00 in all study at UQ up to graduation with the first degree; and  
   (d) achieve a passing grade in subject prerequisite courses BIOM2011 Integrative Cell and Tissue Biology and BIOM2012 Systems Physiology (or equivalent as determined by the Executive Dean)  
   (e) enrol in the Doctor of Medicine in the year following completion of the first degree (unless deferment has been approved) | 1. Domestic applicants will be selected on the basis of the aggregate score from the first four sections of the UCAT ANZ. The UCAT ANZ Section 5 score will be used as a secondary differentiator to differentiate between applicants with the same UCAT aggregate score. The UCAT ANZ Section 1 score will be used as a tertiary differentiator to differentiate between applicants with the same Section 5 score.  
2. Overseas applicants will be selected in order of application. | Enrolment into the MD program may be deferred:  
   • for one year after the completion of the first degree for the purpose of completing a one year research program (honours year or research masters) related to the first degree. (The MD offer will lapse if the program is not completed.);  
   or  
   • for one year after the completion of the first degree for the purpose of completing non-degree requirements to obtain professional registration related to the first degree (The MD offer will lapse if the registration requirements are not met.);  
   or  
   • for two years after the completion of the first degree for the purposes of study towards a PhD at UQ (providing that the student is continually enrolled in the interim period) after 2 years the PhD can be completed |

---

i This entry requirement is currently under review for the 2021 intake.  
ii Applicants applying in 2020 will need to participate in an MMI as a part of the admissions process to be considered for provisional offers into the MD Program in 2021.

|         | 1. **Key degree** means the most recently completed bachelor degree awarded by an accredited Australian institution or overseas equivalent. Where an applicant has completed an approved postgraduate honours, postgraduate diploma, masters or doctoral degree after completion of a bachelor degree, the most recent of these will be used as the key degree.  
   a) If an applicant's key degree was completed more than 10 years prior to the proposed commencement date, it will not be accepted for admission unless the applicant has completed other approved postgraduate study (such as a graduate certificate) in the 10 years preceding the proposed commencement date.  
   2. **GPA for the applicant's key degree** means the weighted Grade Point Average calculated as follows:  
      (a) all courses studied by the applicant while enrolled in the key degree will be included in the calculation, whether or not the courses counted towards the award of the key degree; and  
   3. **Prerequisites**:  
      Prerequisites are not required for the 2020 intake | 1. **Key degree**:  
   (a) At the time of application, an applicant must hold a key degree.  
   (b) An applicant who does not hold a key degree will be considered for a conditional offer if the key degree is expected to be completed in the year of application.  
   (c) An applicant made a conditional offer under 1(b) must be able to demonstrate that they have met all requirements for completion of the key degree prior to the end of the year of application. | 1. **Selection for Interview**—  
   **Domestic applicants**
   Invitation for an interview (MMI) will be based on the ranking of the averaged unweighted GAMSAT scores.  
   a) If required, applicants on the same GAMSAT scores will be differentiated by the GPA from the key degree | part time concurrently with the MD Program. |
|         | 2. **Overseas applicants** will be invited for an MMI based on the ranking of MCAT or GAMSAT score. | 2. **Selection for offer of a place**—  
   **Domestic applicants** will be ranked in a merit order based on a weighting of 25% GPA, 25% average GAMSAT score and 50% MMI score which makes up their final score.  
   2. **Onshore overseas applicants** who failed to meet the MD-Ochsner minimum interview threshold will not be considered for the onshore MD program in the same application year.  
   3. **Alternative entry applicants** transferring from another university or from a fee paying place at this university to an unencumbered place at this university will be selected on the basis of their GPA in the MD. | |
|         | 3. **GAMSAT**:  
   To be eligible for consideration—  
   (a) a domestic applicant must have a score in GAMSAT gained in the two years preceding the year of commencement and meet the threshold score in each section of GAMSAT; and | | |

**Note:**

1. Prerequisite requirements for entry to the Doctor of Medicine program are effective for 2022 enrolments and beyond.
2. This selection process is currently under review for the 2021 intake.

**Effective from:** 18 April 2019
